

PRESS RELEASE

S. Polo D'Enza (RE), January 27, 2010

Regarding news that appeared today on a national newspaper and pursuant to a request of the Italian Authorities, the Board of Directors of Greenvision ambiente SpA confirms that it recently received a proposal to enter in the capital of Greenvision ambiente and subsequent merger by Daneco Impianti, a primary Italian operator in environmental technologies for the selection, processing and recovery of waste to energy.

The proposal is currently to the attention of the Board of Directors of Greenvision ambiente Spa.
